

# 2021-2022 Verification Worksheet

## Dependent Student

The law says that, before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA, must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to your school.
